

STANDARD STATE/COUNTRY CODES

JANUARY 2009

1. Country, state, and territory codes are taken from the Federal Information Processing Standard (FIPS) 10-4 code list, the United States Postal Service (USPS) state/territory codes, and previous FinCEN lists.
2. Entries for U.S. State/Territories and the states/territories of Canada and Mexico should be completed in both the "state" and "country" fields. Enter "XX" in the 'state' field for all other countries and when the U.S, Canadian, and Mexican state code is unknown.
